**ELECTRONIC NOTICE AND DIRECTORY  
AUTHORIZATION FORM**

Name of Owner: \_\_\_\_\_

Date: \_\_\_\_\_

APT # \_\_\_\_\_

Section 718.112 of the Florida Statutes allows the Association to provide owners with notices by electronic delivery of the notice (e-mail). The use of e-mail reduces Association expenses of postage and copying for transmitting important information to owners. The Association also believes that a directory of owners' names, addresses, telephone numbers and e-mail addresses should be included in a directory of owners which will be distributed to all owners on occasion.

If you desire to receive electronic delivery of notices from the Association, please designate one email address for receipt of notices from the Association.:

"I consent to receive notices from the Association at the following e-mail address : \_\_\_\_\_".

By providing your e-mail address, you agree that the Association may place this information in a directory of owners which will be provided to all owners.
