MANAGER'S DUTIES - cont'd

He will remind lessees and guests of any violations of the rules and if the violations continue, he will report same to the Board of Directors. If necessary, the lessee will be required to terminate tenancy having violated the Application for Lease.

He will inspect each empty apartment once per month. He will examine the plumbing in the kitchens and bathrooms for leaks, and if any are found he will engage a plumber to fix them. Costs will be billed to the member. Action must be taken at once to prevent damage to other apartments. (It is recommended that the main water supply be turned off when an apartment is vacant overnight or longer). He will check the air conditioning equipment and arrange for necessary service when needed. He will notify the member if mildew is detected, or if there are other problems requiring attention. He will advise the owner concerning the results of the inspections.

If a member desires additional work by the Manager, arrangements should be made between the Manager and the member. Such arrangements will not be considered Club business and all work will be performed outside the normal working hours (which are 8:00 a.m. to 1:00 p.m. Monday and Wednesday, and 8:00 a.m. to 5:00 p.m. on Friday) of the Manager. Compensation will be determined by agreement between the Manager and the member. Materials for such work are not to be charged on Ambassador Club accounts.

The Manager is under the direction of the Board of Directors. Any suggestions, criticisms, or other comments as to his efficiency should be directed to the President or designate.

NIGHTLY LOCKUP

As a Member of the Ambassador Club, please be aware of the common area facilities: note the operation of the yard and dock lights, close and/or lock the doors of the Manager's office, laundry room, storeroom and washrooms if they are left open after hours (complete instructions are in the Manager's office).
